

## Silver Bullets: How Interoperable Data Will Revolutionize Information Sharing and Transparency (Paperback)

By Pete O Dell

AUTHORHOUSE, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Silver Bullets isn't about understanding the technology of standard, interoperable data; it's about why the technology is important and how you can use it. If you care about effective operations, no matter your job title, this book is for you. Interoperable data is a major game changer for business and information technology, government and commercial, national and international organizations. This book will let you make it happen, versus wondering what happened and how you were left behind. As Frederick Brooks famously noted in *The Mythical Man-Month: Essays on Software Engineering*, there is no single-approach solution - no Silver Bullet - that delivers significant improvements in productivity, reliability, or simplicity. But in *Silver Bullets*, Pete O Dell shows how a single concept - standardized data interoperability - yields improvements in any industry to which it is applied. O Dell builds his case by reviewing the past. From the Great Wall of China to shipping containers, from punched cards to the VISA network, standardization has fueled enormous breakthroughs. O Dell investigates current data standardization including XML and the...
