Hollister Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Hitching a ride in a stolen U.S. government Secret Service car, just minutes before police lights appeared in the rear-view mirror, put 17-year-old Jack H. Barnes in a spot that volunteering for the U.S. Navy seemed like a good idea. Once it got to know him, the Navy wasn't so sure it agreed. In the summer of 1945, he found himself on the unfinished, under-supplied USS Pine Island, en route to Tokyo Harbor. In *By Your Leave, Sir*, Barnes tells the story of how he got himself into hot water, out into the middle of the ocean, into more hot water, and onto a Japanese seaplane. It's the Pacific during World War II as you've never seen it before.
