Twenty-six year old Joi Washington is the CEO of I Got Flow Publishing Company. On the outside her family looks like the modern day Jones in the making; but on the inside her world is falling apart. Married to a successful lawyer, Darrell Washington, Joi had it all, all the material things anyway. After months of being untouched by her beloved husband she began to look elsewhere. But what will happen when she finds out who the one is that's taking all of her husband's attention away from her? One thing a black woman can do is make it is what twenty-six year old Yasmine Long keeps telling herself every time she gets stuck between a rock and a hard place, while raising her two boys. Yasmine finds herself between a twisted love triangle as she tries to free herself from the hold that her kids' father, Robert, has on her. She gets stuck in the middle of a serious fatal attraction as Robert's ex-girlfriend just can't seem to let him go. But while he's away things seem to go in another direction when she meets Darious Mitchell. Twenty-five year old Jalissa Mitchell always tried to run away from her problems, and leave the past behind her. So she...
