Section Two: The Hard Stuff, is an introduction to all of the practical aspects of being an artist; bookkeeping, taxes, insurance, etc. Section Three Putting On An Art Show, covers basic information on how to put on a solo show (One-Man Show) or a small, regional art show. Section Five Selling Your Work at Booth Fairs and Events, is concerned with choosing and selling your work at a large event where artists and writers will be in competition with other vendors and artists. It will help artists and writers to make decisions as to what to take with artists and writers, event insurance, and then analyzing the event to decide whether or not artists and writers made a profit.Section Six is an Artist Resource section. It includes sample worksheets, contracts, photos of booth setups to use as examples, and other types of information an Artist or Writer might need to go into business.
