*Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.*

Amberley Publishing. Paperback. Book Condition: new. BRAND NEW, The Victorian Traveller's Guide to Canterbury, John Shetlock, Before Lonely Planet, this book was the essential accompaniment to any Victorian gentleman or lady's trip to one of the foremost cities of the United Kingdom. The city of Canterbury has a long and prosperous history, and is one of Britain's most popular tourist destinations. At the end of the nineteenth century, the city, caught up in the Industrial Revolution, experienced rapid growth that transformed it into the Canterbury we know today. Many deserted the countryside for the city life, and the population expanded with a new generation. Reprinted from original nineteenth-century texts, this is the original 'traveller's guide' to Canterbury. Including many contemporary illustrations for the modern-day traveller's reference, The Victorian Traveller's Guide to Canterbury will take readers on a guided tour of the city's fascinating past, highlighting its many points of interest.
