Hodder & Stoughton Mrz 2016, 2016. Taschenbuch. Book Condition: Neu. 178x110x23 mm. Neuware - A riveting crime thriller about a reader whose obsession with a reclusive writer goes too far, featuring the same trio of unlikely and winning heroes King introduced in MR MERCEDES . 1978: Morris Bellamy is a reader so obsessed by America's iconic author John Rothstein that he is prepared to kill for a trove of notebooks containing at least one more unpublished novel. 2009: Pete Saubers, a boy whose father was brutally injured by a stolen Mercedes, discovers a buried trunk containing cash and Rothstein's notebooks. 2014: After thirty-five years in prison, Morris is up for parole. And he's hell-bent on recovering his treasure. Now it's up to retired detective Bill Hodges - running an investigative company called 'Finders Keepers' - to rescue Pete from an ever-more deranged and vengeful Morris. Not since Misery has King written with such visceral power about a reader with such a dangerous obsession. Finders Keepers is spectacular suspense, and it is King writing about how literature shapes a life for good, for bad, for ever. 400 pp. Englisch.
