It's a miracle that seems perfect at first - but there are complications. To exist in Delilah's world, Oliver must take the place of a regular boy. Enter Edgar, who agrees to play Oliver's role in the pages of Delilah's favorite book. But just when it seems that the plan will work, everything gets turned upside down. In this multilayered universe, the line between what's on the page and what's possible is blurred. Is there a way for everyone to live happily ever after?
