Everybody has an opinion about God - but few people actually are brave enough to think it through. Thinking about God may result in changing things about your life! Many are prepared to share what they think about God but not so many have ever asked What does God want us to know about him? . Here is just such a guide that distills the essence of the Christian message to those prepared to look for God. Roger Carswell has spent many years explaining the Christian message to people, that experience comes through in this gift book that gently opens up a world of opportunities to those prepared to start thinking. Do you love someone enough to share the gospel with them. Things God wants you to know will enable you to do this so that they can read it reflectively in their own time.
