Excerpt: . on all of the subjects, including those upon which he was examined for his lower grade certificate, of So per cent. Note.--A State permanent primary certificate, secured by building on a State first-grade certificate issued subsequent to June 11, 1911, may be built upon to a State permanent certificate at any time during the first six years of the validity of said State permanent primary certificate by taking the examination in the following prescribed additional subjects, the applicant having the privilege of being examined on one or more of said subjects at any examination: Chemistry, physics, solid geometry, plane trigonometry, elementary double-entry bookkeeping. An examination in physics is not required in building to a State permanent certificate upon a State permanent primary certificate built upon a State first grade certificate issued prior to June 11, 1911. The holder of a State permanent primary certificate issued before June 11, 1911, will have the privilege of building to a State permanent certificate upon the conditions indicated above at any time during six years subsequent to the date mentioned above. Sec. 98. Building.--A person holding a second-grade certificate may build to a first-grade certificate or to a permanent primary certificate during the validity of the said second-grade certificate by taking the examination in the prescribed additional subjects and making the required grades, said person having the privilege of being examined in one or more subjects at any one examination in building on his secondgrade certificate. A...
