Brand New Book ***** Print on Demand *****.Every American should be aware of a great conspiracy that is destroying our freedom and liberty. Just who runs this country? The banking cartel, corporations, world government, the military, corrupt politicians and the compliant media. They are squashing our rights and disregarding the constitution on a daily basis. You will discover why we no longer live in a representative republic. The visible government is a carefully crafted facade designed to fool the public, as they attack the foundation of the country. Here are some of the greatest and well known conspiracies of the past and present, how they are woven into the fabric of our lives without us knowing it. The author tells of his own awakening, all the way from childhood to the present. For some its a long process that takes many years, and for others, its a sudden realization that the game is rigged and its been that way for a long time. The same red-blooded Americans who scoffed at black helicopters and tin foil hats are now shocked to find that their assets are disappearing along with their jobs and standard of living, and what do they say now? The country has been brought to its knees through a slow transformation that took many decades to achieve. Modern-day tyrants operate in stealth from the shadows, they no longer march out in the open with swords and guns. They oversee an elaborate process designed to slowly wither away our individual rights and liberty. Exposed are governmental organizations, names, places and locations of totalitarian movements infiltrating our lives. This book is designed to alter long held beliefs of the establishment and deepen our suspicion of the...
