Homeless, beautiful, and living in Central Park, she seems to charm everyone she meets. They shower her with kindness, and yet he never witnesses magic. Only when he rescues her from a rapist, does he understand why: Summer has no memory, not even of her real name. Though he barely resists her inexplicable pull on him, he would gladly break his vows to make her his own. Magus Corps Major Troy Atwater is surprised to hear from Michael. But their long past together puts Michael s word beyond doubt. Troy collects the beautiful, young witch from the Templar, before her strange attraction drives half of New York wild. A powerful warlock in his own right, Troy manages to veil her seductive appeal, so that he and the coven can help her. But a passionate bond quickly envelopes them that goes far beyond her charms. For her part, Summer s head is swimming. With barely a memory, she can hardly comprehend the ancient world of Wiccans and Templars. More than that she finds herself torn between two very different men. But as the extent of her powers reveal themselves and her deadly past returns in painful snippets, she finds that she isn t meant to choose between Michael or Troy. She must have them both.
