Gomer Press. Paperback. Book Condition: new. BRAND NEW, Cover to Cover: How a Book is Made, Rob Lewis, Rob Lewis, Twice winner of the Tir na n-Og prize, Rob Lewis has been asked so many times how books are made that he's written and illustrated a light-hearted picture book, Cover to Cover, in explanation. It features Rob's trademark sheep as both author and editor but there are real-life photographs too which show machinery and personnel at a working printing and publishing company. This is a book for all ages: older readers (including adults) will enjoy hearing about the technicalities and no doubt it will open the eyes of authors and illustrators! This is a book to celebrate the publishing process - an ideal project in the year Gomer Press celebrates its 120th anniversary.
