

Simplified Phonics: Kindergarten (Paperback)

Filesize: 8.19 MB

Reviews

This is an awesome publication i have at any time read. Of course, it is play, still an interesting and amazing literature. You will like just how the author write this book.

AUTHORHOUSE, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Based on our creation we wrote a workbook (Simplified Phonics), which is very easy and teaches reading and writing of all the three letter words and many short sentences in several weeks. The book has some other advantages, which make the learning material much easier. Here are some: 1) We delay teaching the ABC and the uppercase letters, because at this stage children don't need to use them. 2) All the words in the book are three letter words with short vowels. 3) Each letter has only its basic sound in different words. 4) The words are written with both animal/letters and the regular black letters. 5) Reading and writing are based on phonics: [k, a, t] = cat, cat = [k, a, t] 6) Exercises of the workbook are full of pictures, very easy and fun.
