Pearson Education Limited, United Kingdom, 2011. Mixed media product. Book Condition: New. 3rd Revised edition. 274 x 212 mm. Language: English . Brand New Book. Assuming no prior knowledge of biology and building upon previous editions, Biological Psychology third edition uses everyday experiences to explain complex concepts in an interesting and highly accessible way. This is complemented by a range of inventive pedagogical features and extensive full-colour illustrations to stimulate interest and help students to develop and test their understanding. Online resources accompanying the text can be found at include video clips, interactions, animations, self-test questions and research updates to help students consolidate their understanding and prepare for assessment. Professor of Biological Psychology Frederick Toates from The Open University has done the field an enormous service in the Third Edition of Biological Psychology. Students worldwide will enjoy this text as it sets a new benchmark for a life science approach to brain and behaviour. The inclusion of evolutionary (both ultimate function and phylogeny), neurobiological and developmental perspectives on brain and behaviour make this textbook a first choice for the next generation of undergraduates studying biology and psychology. Dr William M Brown, BA (Hons) MSc PhD, Lecturer, School of Psychology, University of East London Toates third edition is both readable and palatable. It arouses interest by focusing on the thought-provoking questions that arise within a study of biological psychology. The author's conversational style is helpful as he talks the reader through the more straightforward and also the more conceptually demanding sections. Although accessible, the text provides a thorough account of key areas. It answers questions and stimulates interest. This up-to-date third edition retains the excellent pedagogical features of the previous edition. This is an enormously useful textbook. The author understands the problems, questions and fascinations of biological psychology students. Toates is...
