## Divorce Discourses: A Biblical Dilemma

By Denzil Chetty

Concept Publishing Company Pvt. Ltd., 2007. Hardcover. Book Condition: New. The main aim of this book is to try and reconcile the apparently irreconcilable differences between the Biblical texts that allow divorce and those that prohibit divorce. Although, the New Testament references to divorce were ambiguous enough to prevent a rapid consensus within the church that divorce was wholly unacceptable, it is notable that the Christian debate for and against divorce drew on both texts from the Old as well as the New Testament. This book analyses the social and religious crisis faced by Ezra and Nehemiah, bringing about an understanding of why they mandated the Israelite men to forcefully divorce the foreign women they had married. It focuses on a provisional understanding of divorce in the Ancient Israelite Society, analysing what motivations influenced their ethical systems. Against this background, it analyses Jesus response to the Pharisees in the Synoptic Gospels. Printed Pages: XIX, 156.

### Reviews

*Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.*
