Write Up the Road Publishing, United States, 2007. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Dave Madill is a long-haul Canadian trucker who was on the road for over 25 years. An outdoorsman and former serviceman, most of all he s a father, grandfather and a husband. He s delivered everything that can fit on a semi-truck and a few things that didn t. If a road goes there, Dave s been there - and he s been many places where there were no roads. He has a different perspective of the world we live in, and this shows in his writing. Dave is simply a man who writes what he feels and his smiles and tears come through in his writing to give his reader a view of life which most people seldom see. His words have the power of a diesel engine and the touch of an Angel s wing, causing people to stop and take another look at the world we live in and the people around us. This is his second collection of poetry; poetry lines written from between the (highway) lines.
