Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, The Insiders, Jonathan Minter, Set in New York, Insiders allows us to be just that as we catch of glimpse of the 'high' life. Extravagant parties, messy relationships and shameless ambition are just some of the excesses of the bling boys from Tribeca. But when Jonathan's cute cousin from St Louis arrives on the scene, they have a challenge on their hands. She's definitely not as innocent as first impressions suggest, in fact, she's full of surprises, and the guys are so easily distracted by the promise of drinks, a party, or just a little excitement that they don't even notice when one of their gang disappears altogether. And when Patch doesn't pick up his cell, it must be serious. This is very cool, completely salacious and totally compelling writing from an exciting new talent. Insiders is Sex in the City but with four guys instead, and gives girls an enticing glimpse of the boys point of view.
