Alclare Pty Ltd. Paperback. Book Condition: new. BRAND NEW, Way of the Quest: A Young Shakespeare's Search for Life's Meaning and Purpose, George Blair-west, The Way of The Quest might be best called a 'motivational, self-help novel'. Inspired in equal parts by the tales of King Arthur and Paulo Coelho's The Alchemist, it was written by Dr George Blair-West as a fun, engaging story set as the era of the chivalrous knight is drawing to a close. It follows the life of a sixteen-year-old boy leaving his home in England and travelling to the magical Mont St Michel in search of both adventure and himself. Coming from wealth and privilege, instead of staying in Paris as instructed by Queen Elizabeth, he takes off to Mont St Michel to train under the greatest knight of all time. Francis Bacon, a real life figure, is no ordinary young man. Later in life he will be acclaimed as one of the geniuses of his age, but right now, he's a confused 16-year-old trying to find his way. He will go on to forever change the worlds of law, science and literature. This book follows the course of his fascinating life as meets the great teachers on The Mont who set him on his path.then he meets the gorgeous Marguerite - the Juliet of his later writings. There are stories within stories, legends withing legends and layers upon layer.
