Reviews

This pdf is fantastic. It typically is not going to price too much. You will not truly feel monotony at at any time of your own time (that's what catalogs are for about if you request me).

And though, doubtless, there are many who might have been prevailed upon to relieve me of this task, both more able and willing, I have long since come to the conclusion, without however always acting upon it, that it is always best for every one in the situation in which he is placed, to endeavor, to the best of his ability, to perform all the work, belonging to it, unless some how or other providentially incapacitated. We think this, in the main, a good rule for young men entering upon life to follow, qualified, of course by circumstances. Cases often occur when it would be highly proper to entrust to others the performance of that work which has been, in the course of events, thrown in our path. Thus, a physician, in the course of his practice, may have a surgical case, the life of the patient may be at stake, he knows some brother physician, of more experience and greater manual dexterity, who can perform the operation more skilfully than he; he may regret his own want of skill, but if he is the right kind of a man, he will not suffer his pride to interfere with the best interests...
