

Facing Life . Enjoy the Whether (Paperback)

By Ronald Joseph Schinderle

WestBow Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. At first glance, whether seems like a misspelling of weather. It isn't. Whether is a turning point in your life that will determine a change in direction. The road reaches a T, and you must go left or right and live with your choice. Facing life is the dawn of each new day or each new chapter. I aim to live each new day with faith, courage, and optimism. I did not become a Catholic priest or a Catholic deacon, but the call to follow Jesus is a universal call to all people. Many Americans are, have been, or will be married. The future (according to Dawn - her pen name) is for hope and for dreams to come true. Are you patient enough to do it God's way? Since 2006, I have been conscious of this reality: People don't care how much you know until they know how much you care. My prayer for you: Be well. Be whole. Be full of wisdom. And God bless you.
