Quantum Skills for Coaches: A Handbook for Working with Energy and the Body-mind in Coaching

By Annette Simmons

Hothive Books. Paperback. Book Condition: new. BRAND NEW, Quantum Skills for Coaches: A Handbook for Working with Energy and the Body-mind in Coaching, Annette Simmons, This book has been written as a result of Annette's clients and fellow coaches urging her to teach others and write about her unique and cutting-edge approach to leadership and life coaching. These truly transformational tools are a beautifully intuitive marriage of Annette's passion for quantum physics, modern psychology, management theory and spiritual laws which have helped many senior leaders to find the greatness within themselves, enhancing their personal results and the performance of those around them. This approach to coaching is consistent with (and supportive of) traditional coaching models and tools such as GROW, NLP, incisive questions, MBTI, etc. and, it almost seems to give them a fifth dimension!.
