Boyd's Mills Press. Paperback / softback. Book Condition: new. BRAND NEW, Water Music, Jane Yolen, Jason Stemple, In pond, river, and ocean, as a solid, liquid, or gas, water is everywhere. But what does it evoke? What emotions are brought forth when we hear the crash of surf, see the rush of a stream, or feel the tickle of soap bubbles on our skin? In thoughtful poems, renowned author Jane Yolen takes a fresh look at water in all its forms, using photographer Jason Stemple's breathtaking pictures as inspiration. Waterfalls, streams, lakes, ocean waves, even bath water take on new meaning as poet and photographer examine these liquid landscapes through careful words and a camera's lens. This playful yet reflective combination will motivate readers to observe anew a basic element of life we all take for granted.
