The important point is reflected in the history of staging issues. History textbooks in the past, there is a prevailing view that the 1840-1919 Chinese history known as the modern history of China. the history from 1919 to 1949 is known as the modern history of China. and the history since 1949 is called The People's Republic of contemporary history. or the history of this historical staging its shortcomings are obvious. Because the historical staging Essential basis should be is a different form of society. Chinese History absorbed the accepted view of scholars. From the Opium War to the May Fourth Movement (1840-1919). from the May Fourth Movement to victory in the new democratic revolution (1919-1949). the founding of...
