

## GI Emergencies: A Quick Reference Guide (Paperback)

Filesize: 1.33 MB

### Reviews

*This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).*

*(Prof. Buddy Leuschke)*

## GI EMERGENCIES: A QUICK REFERENCE GUIDE (PAPERBACK)

[DOWNLOAD](#)

SLACK Incorporated, United States, 2011. Paperback. Book Condition: New. New.. 176 x 108 mm. Language: English . Brand New Book. GI Emergencies: A Quick Reference Guide contains practical information regarding the diagnosis and management of common gastrointestinal emergencies. Each chapter is written by a fellow or resident with an experienced clinician. This offers the perspective of a trainee, who has many basic questions about how to handle a given situation, combined with the experience of a seasoned practitioner who can guide the work-up and treatment of each clinical case. The result is a reference that provides the clinical acumen of a trained gastroenterologist in an easy-to-use format for physicians to approach GI emergencies efficiently and thoroughly. The dual-perspectives blend perfectly together to create a practical, evidence-based read for the learning physician. In GI Emergencies: A Quick Reference Guide, Dr. Robert C. Lowe and Dr. Francis A. Farraye, along with 20 contributors, help physicians deal with problems as they occur in a real-time format. Some Topics Include: \* Evaluation and management of acute liver failure \* Caustic ingestions, foreign bodies, and food impaction \* Nonvariceal upper GI hemorrhage \* Acute pancreatitis \* Complications of endoscopy The case-based format is less formal than that of a typical textbook, making it enjoyable without losing the educational value and evidence-based recommendations needed to provide excellent patient care. With succinct key teaching points, GI Emergencies: A Quick Reference Guide assists physicians who are training interns, residents, and medical students in training, making it an all-around reference for those in the gastroenterology field.
