Follow these future leaders from their early childhood on, and explore such intriguing factors as family attitudes, home and school environments, academic achievements, key mentors, and early inklings they had as to their future calling. Along the way, they recount their personal struggles, pivotal insights, and significant life lessons. Also included are nuts and bolts details such as their study techniques in high school, college, and medical school. They go into depth about the approaches they took to exam taking-from the SAT and MCAT to the USMLE Step 1 and USMLE Step 2 CK-and how they tackled the process of applying to college, medical school, and residency programs.
