Createspace, United States, 2013. Paperback. Book Condition: New. abridged edition. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.An excerpt from the beginning of the PREFACE: Shall the student commence the reading of Greek with a general or a special lexicon 1 If the former is chosen, he must expect, 1. Greater labor in finding words. The time required for finding a word in a lexicon is nearly in the direct ratio of the size of the book, and the number of words in its list. The larger the book, the more pages must be turned over, or the more matter scrutinized on a page, - commonly both; and the longer its list, the more words must be looked at, before the right one catches the eye. This would seem quite too obvious for remark, were not its disregard so common, and so costly of time to the learner. 2. More labor in finding the required signification. How much time is often painfully spent in looking through a long article, - where various meanings, illustrative examples, translations of these examples, references, and remarks are commingled, - before the eye lights upon an appropriate signification; and even after this, not unfrequently, how much in addition, before the different admissible meanings can be brought together and compared for the selection of the best! 3. A difficulty in finding some words at all. This difficulty occurs in the Greek far more than in most languages, from the many euphonic and emphatic changes in its inflection, from crasis, and especially from the various forms of the augment and reduplication, which often render it uncertain even under what letter the search should be commenced. The considerations first presented have also a special application to the Greek, from the copiousness...
