Not Avail, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.As you might have guessed from the title, this isn't your mama's money book. Does it feel like you work really hard and should have more money than you do? Do you feel like you're frugal, but at the same time money seems to slip through your fingers? Have you thought more than once you should get on a budget, but then decide you'll just commit to spending less only to have that plan not work either? Do you feel like you must be missing something other people know when it comes to handling money? This is the book for you! This smart, engaging, unique book goes beyond the cookie-cutter how-to of personal money management and leads you through the process of defining your idea of success with money and creating your own money strategy. This gives you a personalized playbook for your financial decisions. Going beyond how to manage your money, this book teaches you how your money beliefs are impacting your current financial reality and how to change that. If you've seen Tony Robbins' new book and you thought, I can't think about financial freedom, I just need to figure out how to get my money on track, read this book first. Cassie Parks engages you in your own journey to understand money and set up a budget and a mindset that support your idea of success. Cassie has traveled the path from debt to financial independence. Her story walks you through the process of creating a financial persona, a representation of who you desire to become financially. Drawing on her own journey, Cassie teaches you how to...
