Reviews

This is the finest publication we have read through right up until now. Better then never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.

Wordsworth Editions Ltd, United Kingdom, 1996. Paperback. Book Condition: New. 196 x 120 mm. Language: English . Brand New Book. With an Introduction and Notes by Dr Carole Jones, freelance writer and researcher. George Eliot's final novel, Daniel Deronda (1876), follows the intertwining lives of the beautiful but spoiled and selfish Gwendolene Harleth and the selfless yet alienated Daniel Deronda, as they search for personal and vocational fulfilment and sympathetic relationship. Set largely in the degenerate English aristocratic society of the 1860s, Daniel Deronda charts their search for meaningful lives against a background of imperialism, the oppression of women, and racial and religious prejudice. Gwendolen's attempts to escape a sadistic relationship and atone for past actions catalyse her friendship with Deronda, while his search for origins leads him, via Judaism, to a quest for moral growth. Eliot's radical dual narrative constantly challenges all solutions and ensures that the novel is as controversial now, as when it first appeared.
