Hal Leonard Corporation. Hardback. Book Condition: new. BRAND NEW, The Only Woman in the Room: Episodes in My Life and Career as a Television Writer, Rita Lakin, Rita Lakin was a pioneer-a female scriptwriter in the early 1960s when Hollywood television was exclusively male. For years, in creative meetings she was literally "the only woman in the room." In this breezy but heartfelt remembrance, Lakin takes readers to a long-forgotten time when women were not considered worthy or welcome at the creative table. Widowed with three young children, she talked herself into a secretarial job at Universal Studios in 1962, despite being unable to type or take dictation. With guts, skill, and humor, she rose from secretary to freelancer, to staff writer, to producer, to executive producer and showrunner, meeting hundreds of famous and infamous show biz legends along the way during her long and unexpected career. She introduced many women into the business and was a feminist before she even knew she was one. The general public did not know her name, but Lakin touched the lives of millions of viewers week after week, year after year. The relevance of her personal journey-charming yet occasionally shocking-will be an eye-opener to present-day readers who take for granted the abundance of female creative talent in today's Hollywood.
